WIGHT - NURSERIES

CAIRO, GA.

HELP US TO SERVE YOU BETTER.

It is sometimes difficult to get special information on certain types of nursery stock. To render our customers the best possible service, we are classifying our mailing lists, with especial reference to a few items on which Wight Nurseries specialize. If you are interested in any of the plants listed on the enclosed card, won't you take a few minutes now, fill out the card, and mail to us? Or if you want to receive only our general nursery catalogue, "Planter's Guide for the Southland," please return the card without checking any special group.

From the cards returned we will make up our mailing lists for the coming season. All cards returned will receive the new "Planter's Guide" which will be issued about November first. Those indicating special interests will receive any special bulletins on those items that are checked.

Our records do not show that you purchased anything from us the past season. But if you are still interested in nursery stock, and want our catalogue or other information, we want you to have it.

Will you help us, by returning the card promptly?

Sincerely yours,

WIGHT NURSERIES

J. B. Wight
